Prices quoted for flying are at the credit account rate and include instruction and headset loan. We do not charge for regular ground instruction associated with PPL courses.

These prices are a guide; the flying hours quoted for each course are a minimum requirement, it may take more than the minimum hours for a student to reach the required standard. The number of landings and circuits required by individual students will vary.

The flight bag kit contains all study material and navigation equipment that is required to complete the PPL or LAPL course. To purchase the items individually the cost would be in excess of £335.00

Additional fees are payable to the Civil Aviation Authority for licence issue. A medical examination is required for which a fee is payable to the medical examiner.

When comparing our prices with other flying schools we urge you to ensure you are comparing like for like. There are absolutely no hidden extras to our prices.

All prices include VAT at 20.0% where applicable and are subject to change without prior notification. Prices correct at 1st January 2015.

Credit account terms and conditions available upon request.
