

Breakfast Fly-outs 2017

Join us for breakfast, usually on the first Sunday of each month. It's a great way to start your Sunday. All destinations are within an hour flying time from Redhill and this year we have added a couple of new airfields to the programme.

You can team up with another pilot and share the flying, bring family or friends along and for students it makes a great cross-country land away exercise.

Ask Ops or an instructor for full details.
